

Cinco de Mayo Fiesta Community Marshal Program

What is a Community Marshal?

Our group of dedicated Community Members assist the Police Department at Cinco de Mayo Fiesta in identifying potential problems. The more Marshals there are, the more eyes we have at the event that can help prevent a problem before it starts!

What does a Community Marshal do?

Travel the event in small groups and act as extra eyes on site. Community Marshals are not asked to confront or approach people, they are just there to give Police a heads up about suspicious individuals and/or problematic groups.

Why are Community Marshals important?

This is a great way for community members to get involved and have an active role in keeping Cinco de Mayo Fiesta safe! It also is a great way to show event visitors how we all work together as a community!

How can you be a Community Marshal?

Just sign up! This unique and exciting program has grown every year. We want you to join your fellow West Side residents and be a Community Marshal at this year's Cinco de Mayo Fiesta!
